About BNU

Beijing Normal University (BNU) is one of oldest and most prestigious universities in China. It enjoys national and international reputations for its high-quality programs in education, psychology, Chinese, and other disciplines. According to 2022 QS World University Rankings, BNU is ranked #262 among the world universities and #1 among Chinese normal universities.

About BNU Faculty of Education

BNU Faculty of Education (FOE) is a renowned leader in advancing knowledge and learning through teaching practices, research projects and public services in education and related fields in China and internationally. It is ranked #28 in the subject of education and training on the 2022 QS World University Rankings and #1 in mainland China.

About BNU Center for Teacher Education Research

Beijing Normal University Center for Teacher Education Research (CTER) is a Key Research Institute of Humanities and Social Sciences for Universities, Ministry of Education. It was established in 2004 and is the only national key research institute focused on teacher education research in China.

Graduates' Evaluations

✓ *"The program enabled me to make connections professionally and personally to benefit my life and career path. I strongly recommend this program to anyone who is looking to expand their knowledge of teacher education, education policy and practice, and youth development."*

(Laimche Amina, Cohort 2018, Algeria)

✓ *"I received quality training and research experiences in teacher education program from cross-cultural perspectives that created a room for sustainable and professional development in me. I am so proud and honored to be an alumni of Beijing Normal University."*

(Frank Mwamakula, Cohort 2019, Tanzania)
